

Oryx International School

Secondary Child Care Provision Form – 2019 Academic School Year

This service is available where: **Both parents work or you are a single parent.** You can register your child/ren for before and after school care club on a termly basis.

If both parents work, please attach the official letter of employment for the parent that **does not** work for Qatar Airways with the application form. This **may not be used** as an option for children to be left in school to wait for a paid activity to start at 15.00 or to wait for a sibling that is attending an ASA.

Please note: *If children are collected late on three occasions, the service will no longer be available to you as a parent to use.*

Students will be supervised from 06.30 to 07.15 for early drop off and 14.00 until 16.00 for after school care, Sunday – Thursday. Please pick your children up promptly by 16.00, as all teachers will have left by this time. Gates will open at 06.30 and close at 16.00 every day.

Please complete the form and return to the Main Office Reception or email reception@oryxschool.qa if you require Child Care Provision before and/or after school.
