Parent Contact Rep Form - 2019 Academic School Year

As we are a multi-national school it would be extremely beneficial if we could add parents to our list of native speakers of different languages and appoint someone from each language to be a **Parent Contact Rep**. This position would help families from all countries feel included and welcome in our school by someone from their own country. The Parent Contact Rep would be able to assist all families in their first language and to help in school with any translation required.

Please sign and return this form to the Main Office Reception or email it to karen.laidlaw@oryxschool.qa.

Fill in this form to assist with other parents in your first language.
