## Please note:

1. It is a condition of every scholarship or award given that its value remains confidential between the successful candidate's parents and the School.
2. All candidates sitting for scholarships or awards must already be registered for entry to Oryx International School.
3. Candidates may enter for a maximum of one scholarship.
4. In the event that a scholarship application is unsuccessful, a short report will be issued by the Executive Principal. There is no right of appeal against any decision.
5. Scholarships are reviewed at the end of each Academic Year to ensure that the same standards which were applied at the time of award are maintained. In the unlikely event of this happening, the Executive Principal will instigate a meeting with parents and may recommend to the School Board that the scholarship be rescinded.
6. There is no monetary equivalent of the scholarship.
